(+91) 8296367870 | sherigarashmit@gmail.com | linkedin.com/in/ashmit-sherigar | github.com/AshmitSherigar

Education

National Institute of Engineering — Mysuru, Karnataka

B.E. Information Science Engineering – 2nd year – CGPA: 8.69 — *2028*

Little Rock Indian School — Brahmavar, Karnataka

Class XII (CBSE) – 88% — *2024*

Technical Skills

Languages: JavaScript, TypeScript, Java, Python
Frontend: React.js, HTML, CSS, Tailwind CSS, GSAP, Three.js
Backend: Node.js, Express.js, MongoDB, Postgres
Tools: Git, Postman, Docker

Experience

Freelance Web Developer — July 2026 – Present

Solono — *Remote*

- Building the company website as a freelance developer, handling frontend development end-to-end
- Developing a LinkedIn verification feature for the Solono Flutter application using OAuth/OIDC, including authentication and profile verification workflows

Projects

ATLAS | *Three.js, GSAP, JavaScript, GLTF*

1. Built an interactive 3D web experience using Three.js and GLTF models with multiple interactive scenes, lighting, and animations
2. Implemented scroll-driven 3D animations using GSAP and ScrollTrigger with mouse-driven lighting and HDRI environment effects

Notakto Website | *React.js, JavaScript, Git, Open Source*

1. Maintained and contributed to an open-source web application through feature improvements, bug fixes, refactoring, and code-quality improvements
2. Collaborated using Git workflows including pull requests, issue resolution, and repository maintenance
3. Attracted 20+ contributors, 50+ users, and 100+ monthly page visits from 5+ countries

Bluetooth Communication PWA | *React.js, PWA, Web Bluetooth, Native Helper* — Ongoing

1. Developing a peer-to-peer communication platform for nearby devices with online and offline communication modes
2. Designing device discovery, connection management, and a communication protocol for reliable text, image, and file transfer

Certifications

- Postman API Fundamentals Student Expert
- GitHub Foundations Certification (Expected)

Position of Responsibility

Event Co-Lead — Oct 2024 – Present

Anveshan - Applied Research Club — *NIE Mysuru*

- Organized technical events, hackathons, and learning sessions impacting 300+ students
- Conducted sessions on Large Language Models and emerging AI technologies

Achievements

- Ranked **#46** in GirlScript Summer of Code (GSSOC) 2025 through open-source contributions
- Recognized as a **Super Contributor** in HacktoberFest 2025
- Secured Second Place at IDT Envision 2024 by developing an IoT and Machine Learning based healthcare diagnostic solution
